

Dear Bowls Club,

Wigan Council is working to better understand the current and future provision for outdoor sports facilities and has commissioned management consultancy Knight, Kavanagh & Page (KKP) to carry out an assessment of outdoor sports facilities which will result in the production of an overarching strategy for the area.

It will include all facilities whether managed within the public, private, voluntary or education sectors. The assessment will identify local need for provision within the area and will serve as the key evidence base that will inform the future strategic planning and investment in sport and recreation facilities across the area.

Please find below a link to a short online survey which we ask all clubs to complete in order to provide information on bowls facilities currently in use, as well as demand information, which will help to form an accurate picture of bowls provision across the area. This is your opportunity to put forward your views surrounding bowls in the area and experiences of your club.

[Wigan Bowls Club Survey](https://online1.snapsurveys.com/Wigan_bowls)

(https://online1.snapsurveys.com/Wigan_bowls)

Please click the link above and complete the survey on behalf of your club before **Friday 30th August 2024**.

I hope this is sufficient information for the time being and would ask for your support and assistance in this matter. If you require any further information on the above study, please do not hesitate to contact myself Sam Smith (sam.smith@kcp.co.uk) Consultant at KKP, or Michael Fishwick (Senior Greenspace Officer) at M.Fishwick@wigan.gov.uk.
Council.

Kind regards,
Sam

Sam Smith
